

Join the worldwide church in an Advent worship service planned for 12 December. Special music and ministry from around the world will connect us to ways “The People Walk.”

This experience will be streamed, available at 4:00 a.m. and 2:00 p.m. Central Time USA on the church's [Facebook](#) page and [YouTube](#) channel. An archived version will be available later.

As plans are completed, members of the First Presidency are anticipated to take part, as will Grammy-nominated organist Jan Kraybill, and members of the church from many locations.
