

## **Why should we all share together in a Priesthood Ministry day on June 9<sup>th</sup>?**

Because whether member or priesthood, all are disciples called to share the Good News of Christ's mission!

Because sometimes get lost in church and life activities and are renewed when we remember our testimony and commitment!

Because listening to and sharing with each other allows God's direction to be experienced more clearly!

Because while every person, and every office holds a unique voice and perspective, blending our voices together in community takes practice!

Because it is time, and there is much to do!

The day is set. The guest ministers are prepared. Child care and lunch provided. [RSVP today at admin@azcofchrist.org!](mailto:admin@azcofchrist.org)
