

Dear Friends,

Plans continue to develop for our meeting on Oct 21st regarding the recommendation by the Board of Directors to sell Whispering Pines. To help prepare for the meeting, Board Chair, Tom Bradish has provided the presentation he made during our family summer camp and also to the Mission Center Council. Tom will be available to answer questions during the meeting. We will also see a resolution that's been developed about how to use proceeds if a sale is approved. Additional details about mission center budgets will be shared. We will also receive updates on the fundraising efforts that have been developed to help with Whispering Pines.

We will begin at 2 pm and conclude at 4:30. After the meeting, an old style BBQ and bake sale fundraiser will take place beginning at 5 pm. Please plan on staying for the fundraiser and bring your money! See you on October 21st.

In Gratitude,

Larry
