

Dear Friends,

We are finalizing plans for our Mission Center Conference on December 1, 2018 at Phoenix Central. It will be a day filled with conversation, laughter, fellowship, decision-making and worship. Our day has been planned to focus on a passage of scripture from Colossians 3: 12-17.

Our day includes the presence and ministry of Presiding Bishop and member of the First Presidency, Stassi Cramm, Apostle Ron Harmon, and Bishop William (Bill) McFarlin from the Western USA Field. We will consider a resolution from the Board of Directors of Whispering Pines, electing delegates to the World Conference of 2019, sustaining leaders and electing members to the Whispering Pines Board of Directors, receiving reports, and approving a budget for 2019.

We will also share in the affirmation of calls to priesthood of Beth Richardson from Thunderbird West and John Rounds from Mesa to office and ministry of Evangelist. Provisions have been made for their ordinations to take place in the closing service of worship.

Please join members and friends from around the mission center as we gather to Discover, Embody, and Live as sacred community in Christ.

Arizona Mission Center 2018 Conference
