## **June 13th info: An Invitation for Online Discovery**

“Living And Leading in a Time of Grief and Loss”

We find ourselves in some interesting times. A time when no real roadmap exists and yet, a time of expectation. “What will happen when...?” This is a question with which we wrestle as individuals, as families, and as congregations. There will be some things of life that will be left behind, just as there will be things of our faith and community. We live in this space with questions and hope.

On *Saturday June 13, 10 a.m. - 12 p.m.*, we will share in an online experience of what it means to live and lead in a time of transition, of crossing a threshold. We will engage in spiritual practices, share in learning from scripture and insights from experiences of people who have crossed thresholds. Join us for conversation, practices, and fellowship for a Discover and Live Your Future online experience. *All Are Welcome!*
