

IYF Announcement

April 17, 2020

The International Youth Forum (IYF) originally scheduled for July 2021 will be postponed until 2023. On the recommendation from the IYF 2021 Directors Team, the Council of Twelve made this difficult decision for several reasons. For many participants and their families, the first payments for travel reservations are due soon. That would not be possible for many people who are experiencing financial hardship due to the COVID-19 situation. The team also recognizes the budget impact this pandemic may have on the church's finances and its ability to fund an event like IYF in the coming months. IYF Le Buena Fe, in Honduras has also been postponed to a future date. More details will be shared as they are available.
