

From Tom Bradish, Whispering Pines Board Chair –

Folks – I am again putting out the call. Many of you attended or heard our presentation on WP at Reunion and asked what you could do to help. We are setting aside the month of October, to perform some much needed maintenance at the camp.

Anyone who comes up and wants to enjoy the great autumn weather at the camp and do several of the maintenance items is more than welcome to stay in any of the cabins available. Or bring your trailer or RV. No one is at the camp. This is not just weekends; this is any day you want.

Please consider lending your expertise to WP and fix some of the issues. We will provide whatever materials that are required.

The following is a list of items that need to be completed. Contact Michele directly at 928-445-1478 or 602-413-6428 or e-mail at azwhisperingpines@gmail.com and let her know what you can do and when you can do it. Thanks in advance for your support.

Replace 3-6 pieces of drywall on Fellowship ceiling.

Replace 1-2 pieces of drywall on Peace Pavilion ceiling
